

## Volleyball Information:

In our March 2017 Conference meeting, the Athletic Directors voted unanimously to include volleyball as a conference sport. We are excited to give our volleyball teams the recognition in the conference.

Scheduling is done through the conference commissioner. This is a practice that the conference has established to ensure that all schools in the conference have a set schedule every year. Once the schedule is established home and away it rotates each year with the corresponding dates. The schedule is a template, a model, after it is set up it is sent to the Athletic Directors for review. Then the games can be adjusted to fit various needs and conflicts each school may have by the schools contacting the other schools and rearranging dates. Then the changes are sent to the commissioner and at that time he puts it in the master schedule. The master schedule is then sent out to the Athletic Directors to give to their respective coaches. The master schedule is sent to the assigner and to the web master.

All scores and results must be reported to the Commissioner and the website. If scores are not reported there is a \$25.00 fine.

To report scores to the Commissioner send them to Rick Miller, via text 859-582-7138 or email [cmsac23@gmail.com](mailto:cmsac23@gmail.com)

To report scores to web:

Go to: <http://commonwealthathletics.com/>

Click on the tab: Report Scores

Password is adonly12

Click on your sport and follow directions.

Always list the home team's score first.

Review information

Any problems please contact me.

Home team is responsible for reporting scores to Web and Commissioner. I would recommend both teams doing so.

Post Season Tournament sites are determined in our March Conference meeting. Each school is asked to host the Championship for at least one sporting event. The higher or best seeds host first round of tournaments.

The rules we play by have not changed from what was played in the past

**Volleyball Rules:**

- Games start at 6:00
- Students or faculty line judge
- 6th grade can serve 5' in from standard serving line
- Play on snow days with approval from coaches, schools, and dept. of Transportation if a bus is needed
- Best of 3 games per each grade. Scoring per game is 21, 21, 15 with no cap.
- Rally scoring will be used
  
- Must play Home and Away all conference participants. Both count for seeding of Tournament.

I hope that this helps everyone. If this takes care of everyone's questions we will not need to meet on Monday November 13<sup>th</sup>. If there are other concerns, please let me know.

Thank You

Rick Miller
